Evergreen Memes for Queer Satanic Fiends

May 18, 2022 - Hello to all the new followers from the iilluminaughtii vid.

For people whose friends pointed them here, they probably want you to know that The Satanic Temple cannot help you get an abortion, and it does not deserve your support

<https://queersatanic.com/the-satanic-temple-cannot-help.../>

Moreover, we're still being sued by The Satanic Temple in federal court. Also, TST is now suing Newsweek and its reporter for writing about us and this case. Yes, really.

GFM \$21,766 / \$80,000

<https://www.gofundme.com/.../legal-fund-for-victims-of...>

If you're unable to contribute, please spread this to your pages, groups, and social circles to raise awareness. For those who have contributed already, thank you so much for your ongoing support!

The Satanic Temple has been suing four former members in federal court for more than two years over criticism of them made on Facebook. This criticism centered on the history of the owners and the priorities at TST in repeatedly aligning with literal fascists. This was demonstrated by news articles, TST's own words, and other public posts.

The judge dismissed all the claims in February 2021, but TST re-filed to keep it going because it's a SLAPP, meaning its purpose is to be financially draining to the defendants when the plaintiffs (the ones filing the suit) have more money, which TST does.

For a detailed third-party analysis of the lawsuit so far, see Social Actuality's write-up:

<https://www.socialactuality.com/.../schism-the-satanic...>

Frequently Asked Questions (FAQ) at bottom of post, but more articles and Q&As by us are here:

<https://campsite.bio/queersatanic>

FREQUENTLY ASKED QUESTIONS

Q: But I heard a judge dismissed the case. Why are you still asking for money?

A: The judge dismissed all the lawsuit back in February 2021, but only the defamation was dismissed with prejudice, so TST chose to re-file in March 2021 on even flimsier pretenses. Because this is a SLAPP, and that's the whole point:

<https://www.bloomberglaw.com/.../UnitedFednofChurchesLLCv...>

Q: Can I know even more about The Satanic Temple, its owners, how they're structured, and this very lawsuit?

A: Boy, you sure can:

<https://threadreaderapp.com/thread/1401792170433028098.html>

Q: Can I see all the court documents for myself?

A: Absolutely. You can use PACER yourself, use CourtListener for some of them for free and pay for others, or use the site where we're hosting everything

1. PACER's Western District of Washington, 2:20-cv-00509:

<https://pacer.uscourts.gov/>

2. CourtListener docket: <https://www.courtlistener.com/.../united-federation-of-.../>

3: Free wiki:

<https://the.satanic.wiki/index.php...>

Q: What's a "SLAPP"?

A: It's a "strategic lawsuit against public participation"; Last Week Tonight with John Oliver did a good job breaking it down accessibly while talking about being targeted by their own SLAPP. Just, they have that HBO money:

<https://www.facebook.com/LastWeekTonight/videos/770230313441259/>

A: Oh, you sweet summer child.
